How to get Your Original Tax Form

After you have consented to receive your tax form online, you can get your original tax form by completing the following steps:

1. Click "Get Your 20XX Tax Form Now."
2. Click "View & Print Your Tax Form Now."
3. Print your tax form.

Note: You must use the Acrobat Reader print icon to print your tax form. Using the browser print option will result in an invalid print of the document.
